Applicant,

Thank you for considering applying for the Ark-La-Tex Texas Longhorn Breeders Under Grad Scholarship. Please follow all the directions on the application and submit a complete package to the Committee. Partial or incomplete packages will not be accepted. Depending on the number of applications received we may or may not reply requesting additional information if your package appears to be incomplete.

If you have any questions regarding the information requested, please don't hesitate to call me. I would much rather answer your questions, than have you miss an opportunity due to a partial application package.

Remember, this scholarship will only be awarded if we do not have any qualified High School Senior applicants for our Youth Scholarship.

Good Luck!

Sincerely,

Tina L. DuBose, President
